

2007 Kumeu River Hunting Hill Chardonnay

WHO Kumeu River

WHAT Chardonnay

WHERE New Zealand, North Island,
Auckland, Kumeu

WHEN 2007

This vineyard overlooks the more infamous Mate's vineyard and has a South and West aspect. There is much more fruit on the nose with some white flower. The minerality in this wine is barely detected and the texture is elegant and pleasing. This is my favorite of the Kumeu River Chardonnay lineup.
