

2007 M2 Vintners Zinfandel Old Vines

WHO M2 Vintners

WHAT Zinfandel

WHERE California, Central Valley, Lodi

WHEN 2007

A big, fruity Zinfandel with a great nose, the kind you can get lost in and forget to drink. On the palate, one professional reviewer found burnt fruit, but another wrote "loved it. Big & fruity. Still, maintains a spicy and lush integrity, not unlike myself." Drink this when you just want a glass of wine, or when you get good southern barbecue.
