

Montes Purple Angel 2006

WHO Montes

WHAT Carmenera

WHERE Chile, Central Valley, Rapel Valley, Colchagua Valley

WHEN 2006

None-too-subtle oak. Very rich, naturally. Strong blueberry notes. Maybe too young; good acids on finish. One reviewer wrote, "one of the best Carmeneres available. If you don't think so, we're no longer friends." This is a big, deep, rich, powerful wine, Carmenera as good as it gets.
