

## **2000 Bruno Rocca Barbaresco Rabajà**

WHO Bruno Rocca

WHAT Nebbiolo

WHERE Italy, Piedmont, Langhe,  
Barbaresco

WHEN 2000

Hedonistic but hardly recognizable as Nebbiolo. The nose evokes some of the hot vintages in the southern Rhone, with fig cake and jam. Dense, with rich and chocolate-covered fruit. The finish is halted by a wall of drying tannins that clearly need to settle in. Needs time, and it needs a consumer who doesn't care too much for a wine's sense of place. Just please me, baby! E.D.
