

2008 Soléna Pinot Gris

WHO: Soléna Estate

WHAT: Pinot Gris

WHERE: Oregon (Willamette and Rogue
Valley AVAs)

WHEN: 2008

This wine, the only white produced at Soléna, is very zippy and has lots of refreshing acidity in addition to loads of citrus and tropical fruit characteristics. Presumably much of the warmth this wine shows is from the warmer Rogue Valley appellation in southern Oregon. Definitely a good food wine. RR
