2006 Cascina 'Tavijn Ruché di Castagnole Monferrato

WHO: Cascina 'Tavijn

WHAT: Ruché

WHERE: Piedmont, Italy

WHEN: 2006

Intensely floral, this makes a wine lasagna with lavender and rose petals noodles between layers of elderberries, raspberries, lightly smoked pork, and leather. This practically begs to pair with meat, from sage-rubbed pork roast to lamb with rosemary. At its price point, \$20, buy it by the case and drink it over the next two years. DH
