

## **2006 Robert Hall Rhône de Robles – Central Coast**

WHO: Robert Hall

WHAT: Grenache, Syrah, Cinsaut, Counoise

WHERE: Central Coast, California

WHEN: 2006

This moderately priced Rhône blend spent 14 months in a blend of French and European oak, and it shows. There is plenty of cherry and a little rhubarb, but the wood is slathered all over the fruit, overwhelming it. Sweet tannins and a maple flavor are wood-derived, making a difficult food match. DH
