2008 Cave Spring Riesling – Niagara Peninsula VQA

WHO: Cave Spring Cellars

WHAT: Riesling

WHERE: Niagara Peninsula VQA

WHEN: 2008

This wine is off-dry with sufficient acid to give a sensation that it is drier. Floral aromas lead to pear, apricot and honey flavors, the sweetness counter-balanced by lightly tart key lime. Cloves and all-spice show on the mid-length finish. This wine would be a great pairing with spicy Thai or Vietnamese food. DH
