2008 Juan Gil Monastrell – Jumilla, Spain

WHO: Bodegas Juan Gil

WHAT: Monastrell

WHERE: Jumilla D.O., Spain

WHEN: 2008

A knockout of a red wine from the somewhat obscure Jumilla region of Spain. Lovely nose of crushed blackberries with tones of vanilla and Indian spice, primarily turmeric. It situates well on the palate with a solid tannic structure to hold it up. Finishes a bit hard, but that will likely soften with time. GT
