2008 Olson Ogden Persuasion – North Coast, California

WHO: Olson Ogden

WHAT: Syrah blend

WHERE: North Coast, California

WHEN: 2008

Very fruit-forward with mixed black and red fruit, mulberry and sweet cherry, with leathery tannins and a little black pepper. It is smooth, slightly sweet, a little young, and one-dimensional. There are no changes from attack to mid-palate and the finish drops off quickly. DH
