2008 Yellow Tail Reserve Pinot Grigio – Australia

WHO: Yellow Tail

WHAT: Pinot grigio

WHERE: South Eastern Australia

WHEN: 2008

Sweet fruit and a hint of herbs in the aroma. Light body, lightly sweet and lively, with a hint of tangerine and plenty of lime in both flavor and finish. It's an easy to drink aperitif wine, especially at the end of a hot, muggy day, when you want a little more than a limeade and a little less than a cocktail. BSE
