2007 Opus One

WHO: Opus One

WHAT: Cabernet Sauvignon blend

WHERE: Napa Valley, California

WHEN: 2007

Aimed at the Bordeaux aficionado, offering a balance of dark fruits with spice and floral flavors, all with a balance of acid and tannins that suggest long cellar life. Find a cozy place in the cellar and give it time, at least ten years, for those teasing secondary flavors to come forward, and for the different wines in the blend to settle down and get to know each other better. Drink it with lamb and someone who will appreciate it. DH
