2007 Sequoia Grove Cabernet Sauvignon

WHO: Sequoia Grove

WHAT: Cabernet Sauvignon, Merlot

WHERE: Napa Valley, California

WHEN: 2007

A vibrant Cabernet Sauvignon still has traces of tannin, but that's phasing out as raspberry takes over the flavor profile. Dark red color, touches of black cherry and a hint of leather in the aroma. Six Napa Valley appellations provide grapes, with Cab and Merlot heading the blend from an elegant little winery, surrounded by one of the last extant stands of Napa redwood. JP
