## **2008 Muratie Estate Cape Vintage Port-style**

WHO: Muratie Estate

WHAT: Vintage Port

WHERE: Stellenbosch, South Africa

WHEN: 2008

The intense dark, almost inky color is a hint of the richness and opulence to come. The single lot of four classic Portuguese cultivars, all planted in 1965, are “field blended,” as they are hand harvested at the same time. The result is a smooth, rich, round, well integrated wine of berries and spice. Perfect with dark chocolate, stinky cheeses, or just a good book by a warm fire. TL
