2009 De Wetshof Estate Limestone Hill Chardonnay

WHO: De Wetshof Estate

WHAT: Chardonnay

WHERE: Robertson, South Africa

WHEN: 2009

The searing acidity, crisp citrus fruit, green apple and peach are balanced with a round full mouth feel from time on the lees and a striking flinty minerality. Consume this wine no cooler than 60 degrees. It is the perfect wine for your ABC (Anything But Chardonnay) friends to remind them why this wonderful grape, unencumbered by butter, vanilla, and spice, is a treasure to savor. TL
