2007 Rencel Josko Terrano Negra

WHO: Rencel Josko

WHAT: Terrano

WHERE: Dutovlje, Slovenia

WHEN: 2007

From grapes left to dry until Easter, this sweet Terrano evokes the richness of aromas and the body of a Porto wine. The colour is dark violet, nearly dark brown, but the nose is fresh, with aromas of dried orchard fruits, nuts, dried figs and a lot of dates. In the mouth, there's coffee cream, dates, dried figs again. A very tasty wine which can be paired with chocolate, and also with some cold cuts if you like. ET
