

2008 Monthaven Cabernet Sauvignon

WHO: Monthaven

WHAT: Cabernet Sauvignon blend

WHERE: Central Coast, California

WHEN: 2008

This is a blend with minute quantities of other grapes from several parts of California's Monterey and Paso Robles areas. The wine has a deep purple color with hints of blackberry and raspberry. It is a very light-flavored glass of cabernet but no finish for the serious drinker. This wine stayed consistent from week one to week six as promised by the company. HH
