

2008 Valentin Bianchi Chardonnay Familia Bianchi

WHO: Valentin Bianchi

WHAT: Chardonnay

WHERE: Mendoza, Argentina

WHEN: 2008

This wine did not fare well in the Palate Press Grand Tasting, scoring only two stars out of five. The wine tastes of a laboratory, not a vineyard. Oak treatment is obvious. The classic apple of chardonnay appears here more like apple flavoring that apples from a tree. The finish falls off quickly, followed by a bitter after-taste. Not recommended. PP
