## **2009 Razor's Edge Chardonnay**

WHO: Razor's Edge

WHAT: Chardonnay

WHERE: South Australia

WHEN: 2009

Fifteen percent new oak adds creaminess without overwhelming the fruit. Apples and tangelo (honeybell) and a touch of white pepper are matched with good acids. The finish falls off quickly, but that is not unexpected at this price point. This is a pleasant weekday white. Drink it with fried catfish. DH
