2005 Domenico Aglianico

WHO: Domenico Wines

WHAT: Aglianico

WHERE: Amador County, CA

WHEN: 2005

This wine offered a mature bouquet of cinnamon/nutmeg notes, floral, oaky hints and a vague hint of VA. In the mouth, it was faintly sweet, with very forward and mature flavors of very light briar and tobacco pouch. The body was remarkably light for the alcohol level. Structurally, it was supple, not too grippy and with high acids. A shorter, drying, finish of mature flavors and subdued fruit followed. AZP
