## **2006 Catarone Aglianico**

WHO: Caparone Winery

WHAT: Aglianico

WHERE: Paso Robles, CA

WHEN: 2006

Floral notes and faint jammy berry aromas followed. In the mouth, this medium-bodied wine was kaleidoscope of berries, leather and oak. The mouthfeel was plush, rich and round with good acids and notably dusty and grippy tannins. This led into a drying finish with some heat and faint fruit dominated by leather. Overnight, bretty aromas seemed to become more sharply defined and were accompanied by some light blackberry. AZP
