## **2006 Domenico Aglianico**

WHO: Domenico Wines

WHAT: Aglianico

WHERE: Amador County, CA

WHEN: 2006

Aromas of candied cherry aromas up front suggested a little VA. The aromas of brambly blackberry and cherry had a slightly jammy character and gained in presence with a little air. In the mouth, a slight sweetness bolstered very light, fleshy sweet red fruit flavors. Medium-bodied, this wine was tangy with bright acids, not too astringent or too grippy. The medium duration finish was tangy and scintillating with red fruit. AZP
