2007 Domenico Montepulciano

WHO: Domenico Wines

WHAT: Montepulciano

WHERE: Central Valley, CA

WHEN: 2007

It offers aromas of macerated ripe strawberry with piney, dill notes and maple leaf hints. In the mouth, it is lighter bodied, sleek, with slight tannins, a silky texture and jolly rancher-like strawberry candy flavors. The finish is creamy, but a bit hollow. Overnight, it takes on dried rose petal and vague cherry aromas and floral hints in the mouth. This forward, mature-styled wine is an unobtrusive food companion with good acids and does not compete with food flavors. AZP
