2007 Witch Creek Montepulciano

WHO: Witch Creek

WHAT: Montepulciano

WHERE: Valle de Guadalupe, Mexico

WHEN: 2007

Offered ripe, fleshy strawberry aromas, a piney note, and a hint of dill. In the mouth, it was savory, gamey and briny with strawberry flavors playing a well-placed second fiddle. It was lush, rich and full bodied with supple tannins. The finish was drying and meaty with strawberry and some heat. AZP
