2008 Mandola Spino

WHO: Duchman Family Winery

WHAT: Montepulciano

WHERE: Texas

WHEN: 2008

In the mouth, strawberry dominated cranberry and a slight mineral-like astringency. The structure took on more definition with taut, fine, slight tannins, vibrant acids, good body and balance. The medium,-length finish was juicy with cherry/cranberry flavors and a vague floral hint. The rustically-styled wine blended in well with a mushroom pizza but clashed aromatically with blackened salmon. AZP
