

2008 Tesch “Unplugged” Kabinett Riesling

WHO: Weingut Tesch

WHAT: Riesling

WHERE: Nahe, Germany

WHEN: 2008

Don't let the "dry" label mislead you—this is a very flavorful, food-friendly wine that shouldn't be kept just for warm weather. It's good for snow as well as sun. A delicate nose with notes of citrus and baking spices leads to mineral, tart green apple and spicy mouth-filling flavors with a crisp finish. Enjoy with a nutty, stronger blue cheese like Rogue Creamery's Smokey Blue and crostini. EMD
