2009 Seven Artisans Montepulciano

WHO: Seven Artisans

WHAT: Montepulciano

WHERE: Suisun Valley, CA

WHEN: 2009

This wine started with aromas of strawberry, toast and spice (licorice) notes and vague leather hints. A mix of cherry and strawberry predominated in the mouth. Supple, smooth tannins, some heat, lighter body, and more restrained acids made up the structure of this wine. The finish seemed dominated by heat and clear fruit was a bit hard to find. AZP
