

2006 Faust Cabernet Sauvignon

WHO: Quintessa

WHAT: Cabernet Sauvignon blend

WHERE: Napa Valley, California

WHEN: 2006

Nose of blackberry, eucalyptus, and earth. Rich feel on palate seemingly coming from myriad directions: dark currants, cocoa, even some hints of pumpkin pie spice blend. The fruit, however, is a tad out of whack to the tannins and the wine is a bit hot, making it seem a bit unbalanced. A sinewy, semi-long finish that is slightly sweet. Try with grilled hanger steak. Highly recommended. GT
