2006 Summers Ranch Knights Valley Reserve Merlot

WHO: Summers Estate Winery

WHAT: Merlot

WHERE: Alexander Valley, California

WHEN: 2006

Complex and familiar aromas, elements of black cherry, no make that black currant, with leather too, and leaf and forest underneath; the same on the palate, too. Good body, integrated tannins, and a medium-long finish. At dinner, it worked especially well with garlicky beef. Highly recommended.
