

2006 Argyle Blanc de Blancs

WHO: Argyle Winery

WHAT: Chardonnay

WHERE: Willamette Valley, Oregon

WHEN: 2006

This sparkler opening with loads of apples of every kind. On the palate apples were also prevalent, along with buttered brioche, turning to caramel as it moved to the finish. It has 1.2% residual sugar and a fine backbone of acids. Drink it with spicy crab cakes. Recommended. DH
