## **2006 Produttori del Barbaresco**

WHO: Produttori del Barbaresco

WHAT: Nebbiolo

WHERE: Piedmont, Italy

WHEN: 2006

Clearly built for the long run, with fine but significant tannins, loads of great tart cherry and tobacco leaf aromas, a fine acidity and a terrific, clean, precise finish. The color is the clear garnet of traditional Nebbiolo, free of oak (why would that grape need it?), fine and well-defined. Buy every bottle you find and drink them slowly over the next twenty years. Highly recommended RC
