## **2009 Casa de Vila Verde Vinho Verde**

WHO: Casa de Vila Verde

WHAT: White blend

WHERE: Vinho Verde, Portugal

WHEN: 2009

Offering just the tiniest tickle, this has less fizz than most Vinho Verdes. It is vibrantly acidic, with light flavors of fresh peaches and lemons. Pears make an appearance on the finish. Alcohol is moderate, at 11.5%. Like all the better wines of its class, this is bottled summertime, the perfect sipper when the mercury is north of 90°F and the kids are old enough to play on their own. Recommended. DH
