## **2006 Littorai Roman Vineyard Pinot Noir**

WHO: Littorai Wines

WHAT: Pinot Noir

WHERE: Anderson Valley, California

WHEN: 2006

The wine is a light but complex shade of garnet. The fruit, combining cherry and plum, jumps out at first with a light floral accent, but spicier and earthier notes, with a light, heady sort of pastry or maybe cocoa powder accent adding on to it. The wine is silky and accomplished, with moderate acid good body and good length. though a duck breast certainly wouldn't do it any wrong. Highly recommended. RC
