## **2008 Bonny Doon Le Pousseur**

WHO: Bonny Doon

WHAT: Syrah

WHERE: Central Coast, California

WHEN: 2008

Strong notes of black cherry, chocolate, and nutmeg on the nose. Big, expressive blackberry fruit and herb (thyme) on the palate with fine structure to carry it home to a long finish. Hard not to like this one. Try with something from the grill—I think a bit of smoke and char would pair well here. Highly recommended. GT
