## **NV J.J. Vincent et Fils Crémant de Bourgogne Brut**

WHO: J.J. Vincent et Fils

WHAT: Chardonnay (sparkling)

WHERE: Burgundy, France

WHEN: NV

The wine shows straw-pale yellow with consistent small bubbles. On the nose it is very yeasty, with tropical fruits, like banana bread with a pineapple topping. It is more tart on the attack, leading with soft lime and clementines. It softens to more tropical flavors on the mid-palate. Acids add crispness. The finish is mid-length, trending back toward the citrus flavors. Drink with escargot. Recommended. DH
