

**2006 Hermann J. Wiemer Dry
Riesling**

WHO: Hermann J. Wiemer Vineyard

WHAT: Riesling

WHERE: Finger Lakes, NY

WHEN: 2006

A seductive nose of lime, apple, clover and acacia, with notes of hot stone and the slightest touch of petrol brought on by aging. The mouth, sustained by still lively acid, has gained roundness and richness with age, moving from candied lemon to pine tree and beeswax, with exceptional length and a finish that just keeps going. Mature and extremely enjoyable now, it should remain so for many years to come. Highly Recommended. RC
