

**2010 Jean-Paul Picard
Sancerre**

WHO: Jean-Paul Picard

WHAT: Sauvignon Blanc

WHERE: Sancerre, Loire Valley France

WHEN: 2010

The nose is very nice. Cut grass, lime, citrus flowers, and ginger, plus a touch of nutmeg. Tart citrus is more pronounced on the palate, but all the others flavors remain. The ginger is the most significant secondary flavor, like a lemon pie with a ginger snap crust. Some leafy herbs and grass show up on the mid-palate. The lemon comes back and lingers on the finish. Drink with garlic crabs. Highly recommended. DH
