2009 Masut Pinot Noir

WHO: Masut Vineyard & Winery

WHAT: Pinot Noir

WHERE: Mendocino, California

WHEN: 2009

The nose has plenty of soft cherry and strawberry, a bit of vanilla, and a touch of sea salt. On the palate comes loads of red fruit, strawberry, black cherry, and some cranberry, tempered by a touch of sage and a sprinkle of sea salt, with underlying wood-effect vanilla. It's a mouthful, a big California Pinot, so look for food that matches. Drink with duck, but make sure you're going with the dark meat. Recommended. DH
