

**2010 Youngberg Hill Aspen  
Pinot Gris**

WHO: Youngberg Hill Vineyards  
WHAT: Pinot Gris  
WHERE: Willamette Valley, Oregon  
WHEN: 2010

Clear, bright, medium intensity golden yellow. Aromas of tropical fruit inundate the nose: pineapple, mango, banana, and guava all blended together. Soft hints of ripe, juicy melons and pears that run down your chin when you bite them. On the palate there is definitely a little residual sugar, but medium-high acidity balances it nicely. Medium-full bodied, with tropical fruit driven flavors, honeysuckle, and sweet apples. Match with a mango chutney or pineapple galette. Highly recommended. RR
