**2006 Edna Valley Vineyard
Paragon Pinot Noir**

WHO: Edna Valley Vineyard
WHAT: Pinot Noir
WHERE: Edna Valley, California
WHEN: 2006

Silky red fruits, cranberry, wild strawberry, and redcurrant. Some basil and tarragon show on the mid-palate, along with sweeter cherries and strawberries. On the nose, red fruits show clearly, but there is an underlying hint loamy depth with a bit of funk. Tannins are very light, acids quite bright. Cranberry and anise linger on the finish. Pair it with roast pork with mushroom gravy. Recommended. DH
