## **2009 Lions Drift Pinotage**

WHO: Lions Drift

WHAT: Pinotage

WHERE: Breede River Valley, South Africa

WHEN: 2009

This wine has an interesting blend of black and red fruits, with a touch of vanilla, on the nose. It starts with tart black fruit, blackberry and a little elderberry, but within seconds the tart flavors shade to cranberry, then even more quickly sweetens to strawberry, joined by limestone and vanilla. This is a good wine at a great price. Drink with barbequed beef. Highly Recommended. DH
