## 2009 Bonny Doon Contra

WHO: Bonny Doon Vineyards.

WHAT: 55.1% Carignane, 15.4% Grenache, 14.3% Mourvèdre, 7.1% Petite Sirah, 5.3% Zinfandel, 2.8% Syrah

WHERE: Central Coast, California

WHEN: 2009

Combining the pleasantly mineral and grippy character of Carignane with rounder notes from five other grape varieties, this wine is rather easy-going, despite the contrarian attitude implied in the name. Lovely and elegant, despite having fairly moderate alcohol and none of the overbearing fruit that so many Californian wines would have. A great deal—and a pleasant wine to drink. Recommended. RC
