

## **2009 Sanford & Benedict Chardonnay**

WHO : Sandhi Wines  
WHAT : Chardonnay  
WHERE : California, Santa Rita Hills  
WHEN : 2009

In many ways, a very classic, barrel-fermented Chardonnay, in terms of texture and aromatic profile: lovely citrus, lightly floral notes, and a roundness and light spiciness from the barrel aging. Wonderful, palate-lifting acidity gives it vibrancy, along with an almost salty, mineral character evocative of the wine's seaside origins. Possibility of aging gracefully for several years. RC
