

2008 Bodega Inurrieta Sur

WHO: Bodega Inurrieta
WHAT: Garnacha (Grenache) and Graciano
WHERE: Navarra, Spain
WHEN: 2008

Blackberries and brambles show in the nose, with a vanilla background from American oak. The palate is dark and deep, with earthy mulberry backed by black cherry. Mild black pepper and tobacco leaf show on the mid-palate, lingering over a mid-length finish with the mulberry. The depth and complexity of the wine belie the moderate price. Drink with flank steak or ropa vieja. Highly Recommended. DH
