

## **2010 Bluenose Chardonnay**

WHO: Bluenose Wines  
WHAT: Chardonnay  
WHERE: Alexander Valley, California  
WHEN: 2010

The nose offers up soft peaches and pears. On the palate, mouth feel is full, slightly viscous. The flavors are more tart than the nose, primarily pears, just not hugely ripe. There is an interesting touch of salinity on the finish. Drink with dry-rubbed chicken. Recommended. DH
