

## **2010 Quinta das Arcas "Arca Nova" Vinho Verde"**

WHO: Quinta das Arcas  
WHAT: White blend  
WHERE: Vinho Verde, Minho, Portugal  
WHEN: 2010

Very pale in color, with a slight gold-green tint, and a tiny splash of bubbles that disappear immediately. The nose is a bit shy, as if two blocks away somebody cut the front yard and caught half a lemon in the mower blades. On the palate it is all citrus and freshness. It is all lemon-lime, fresh with acids and a hint of bubbles. Drink with ceviche on a sunny summer deck. Recommended. DH
