

**2007 Stonestreet Winery  
"Christopher's Vineyard"  
Cabernet Sauvignon**

WHO: Stonestreet Winery  
WHAT: Cabernet Sauvignon  
DESIGNATION: Christopher's Vineyard  
WHERE: California, Alexander Valley  
WHEN: 2007

Rich tobacco leaf and dust pair with blue fruit on the nose. Blue fruits, elderberry and blueberry, lead the attack as well, joined by tobacco on the mid-palate. This has terrific structure, with firm tannins and acids to match. This has great cellar potential, but if you can't wait, pair it with a well-marbled strip or ribeye. Very Highly Recommended (95-97). DH
