

## **2009 Monika Caha Selections Zweigelt "Andau" Burgenland**

WHO: Monica Caha Selections  
WHAT: Zweigelt  
DESIGNATION: Andau  
WHERE: Austria, Burgenland  
WHEN: 2009

The fruit was grown in the extreme southern tip of Burgenland, which enjoys considerable sunshine and warm temperatures. The result was the most full-bodied wine of our tasting, plush and heavily extracted and deep inky red. Aromatically it offered lots of woody sweetness with pronounced notes of clove. The clove continued on the palate, too, along with a kick of pepper and black fruits. The wine was opulent and not as food-friendly as some, but it is pleasing by the glass. Recommended.
