

2005 Crauford "Tattoo" Cabernet Sauvignon

WHO: Crauford Wine Company
WHAT: Cabernet Sauvignon
DESIGNATION: Tattoo
WHERE: California, Napa Valley
WHEN: 2005

The nose shows some alcohol heat with ripe black fruits and some vanilla. Black fruits, black currant and elderberry, and some vanilla show on the palate. Tannins are full, round, and mouth-filling but the acids are lacking in comparison. Vanilla shows the most on the finish, lingering with the tannins. This is a moderately priced crowd-pleaser. Drink with a great blue cheese burger. Recommended (89).
